

Press Release 26 April 2018

ICTS Consult is now a SABRE Licensed Company.

London, 26 April 2018.

ICTS Consult is pleased to announce that it is now a SABRE Licensed Company.

SABRE is BRE Global Limited's security assessment and certification scheme, which is now recognised within BREEAM UK New Construction 2018, as the only risk-based certification scheme capable of helping facility owners, and occupiers achieve the Exemplary Criteria in section HEA 06, and the associated Innovation Credit.

Alongside our consultancy services for the built environment, we now provide SABRE assessments and assist clients from new and existing developments achieve certification.

Ashley Fernandes, Managing Partner, ICTS Consult, commented, "We are delighted to be part of the SABRE certification scheme and look forward to helping our clients achieve transparency in their spending, increased performance from their security, and added reassurance for their stakeholders."

If you are investing in security, wish to understand and improve security at new and existing facilities, or would like more information on SABRE assessments and certification, please feel free to contact us.
